### ABOUT ME

I am a Mandarin interpreter with over 8 years of experience living, working, and studying in China. I have the HSK 6 and HSKK advance level Chinese proficiency certificate and also have specialized training in medical interpretation, including onsite, over-the-phone (OPI), and video remote interpreting (VRI). My expertise in cross-cultural communication and exceptional language skills enable me to bridge linguistic and cultural gaps effectively. I am committed to delivering accurate and context-sensitive translations with a professional demeanor.
