## Summary

Passionate Professional with a Blend of Expertise

Greetings! I'm Hossein Mohammadzadehmazinan, a seasoned professional with over 15 years of experience in the dynamic realm of medical equipment sales. Currently serving as a Board Member at Akam Teb Tejarat, my journey in the healthcare sector has been marked by leadership, innovation, and a commitment to advancing medical solutions.

### # Brewing Success in Coffee Culture

Beyond the world of medical technology, I'm also a seasoned barista and coffee roaster, where coffee isn't just a beverage but a life passion.

### Transitioning to Tech: A Codebrewer in the Making

Driven by an adventurous spirit, I embarked on a new chapter in my career journey. Relocating compelled me to explore new horizons, leading me to discover a profound love for coding. As a junior Python developer adept with the Flask framework, I'm passionate about blending technology with my diverse background.

### # Crafting Solutions with Flask Framework

My coding journey has been fueled by a genuine fascination for problem-solving and creating meaningful applications. Proficient in the Flask framework, I specialize in crafting scalable and efficient solutions.
